

SSL ASSIGNMENT NO. 2

(Career goals and planning)

1. Remedies for weakness and challenges of short- and long-term goal.

Roll No : 23361

Date : / /2022

Short Term Goal :

To become a full stack web developer using MERN stack.

Weakness :

I am unable to manage my time and can hardly give 1 hour per day for it.

Remedies:

- 1) Making a schedule for the day.
- 2) Breaking my goal in short steps.
- 3) Analyzing improvements and achievements per week.

Long Term Goal:

To become an Entrepreneur.

Weakness:

- 1) Find it difficult to make quick decisions.
- 2) Overanalysis of situation.
- 3) No financial backup.

Remedies:

- 1) Taking quick decisions no matter what the end result will be. To move ahead you make decisions quickly because opportunities don't wait for you.
- 2) Stop overanalysis. Do calculated analysis of problems and give response to that situation with natural instinct.
- 3) Because of the moderate financial conditions of my family may find it difficult to put their money into my ideas, so have decided to make money with the help of skillset will have like coding, app development

2. General SWOC analysis of yourself
